For Your Prayer Time

Give thanks for *Shine: Living in God's Light* (SS curriculum from MennoMedia), those who prepared it, and those who teach it preparing children for a lifetime of faith.

Offer gratitude to God for our many blessings as we see our glass as half-full rather than half-empty

Pray for physicians, nurse practitioners, nurses, and other health care workers who seek to show God's love and extend a healing touch to those among us who are hurting.

Ask God to give us cheerful and generous hearts as we give in whatever ways we are able to do so.
