**For Your Prayer Time**

Today is Mennonite Heritage Sunday, a day to remember people and events in church history. Give thanks for those whose faith and courage helped to shape our church and denomination.

Pray for those who are working together to explore options for a new affiliation of this congregation that God will provide open doors and a clear path.

Praise God for the Kairos ministry including Dick Helmick who takes the message of God's love into the prisons.

Ask God to be a comforting presence to those who are ill and those who mourn:

Give thanks to the Lord, for he is good! His faithful love endures forever. (Psalm 107:1)
